3. Risk

As soon as we have delivered the goods or services, you will be responsible for them and we will not be liable for their loss or destruction. Therefore, you would need to take necessary steps to insure the items. If you delay a delivery, our responsibility for everything other than damage due to our negligence will end on the date we agreed to deliver them.

4. Ownership of the Goods

You will only own the goods once they have been successfully delivered and when we have received cleared payment in full.

5. Delivery

We will deliver the goods to the address you specify for delivery in your order. It is important that this address is accurate. Please be precise about where you would like the goods left if you are out when we deliver. We cannot accept any liability for any loss or damage to the goods once they have been delivered in accordance with your delivery instructions (unless this is caused by our negligence). We will aim to deliver the goods by the date quoted for delivery but delivery times are not guaranteed. If delivery is delayed due to any cause beyond our reasonable control, the delivery date will be extended by a reasonable period and we will contact you to arrange an alternative time.

6. Performance

6.1 We will manufacture and install the items within a reasonable time.

6.2 If in our opinion it is not reasonably practicable for any reason to carry out any of the work we are instructed to carry out, we shall be entitled to refrain from carrying out or completing such work and will consult with you as to what if any work is to be undertaken. We will, if requested by you, provide a written explanation as to why any work is not considered to be reasonably practicable.

6.3 If the cost to us of carrying out the work is subsequently increased by reason of increases in the cost materials and/or labour and/or any other factor outside our control, then we shall notify you before undertaking any work to which the increase will apply. If you require us to discontinue the work, you shall only be required to pay us for the work already carried out.

7. Payment

A deposit of 50% of the total estimated price for the goods and/or services will be required for works to commence. The remaining 50% of the price shall be payable no later than 14 days from the date of the relevant invoice. The time stipulated for payment shall be of the essence of the Agreement. Failure to pay within the period specified shall entitle us to write to you upon the expiration of seven days' notice, to charge you for costs and expenses incurred in recovering late payments, and to charge interest at the rate then in force pursuant to the Late Payment of Commercial Debts (Interest) Act 1998 as at the due date.
